A very big thank-you to all our customers for their continued support in 2017, what a fantastic year yet again! We look forward to welcoming you and all new faces in 2018.

Now trading in our 6th year, yes I know! 5 years, we can hardly believe it either; they have gone by so quickly but still thoroughly enjoying the challenge and continuing to strive for the very best store with great produce and where possible from local sources.

All of our long established suppliers continue into 2019 with the exception of Brimfield's Fruit and Veg, Ross has sadly had to call it a day but he has been kind enough to put us in contact with his wholesaler so the quality fruit and veg you have come to expect from our store continues.

- Gluten Free range – This department was added in 2017 and has grown from strength to strength, providing a diverse range of products. Gluten free bread is now carried in store and that range has also grown considerably.
- Fresh meat supplied from Soles Butchers of Alresford and Jon Thorner's of Somerset, available instore or to order weekly.
- Fresh artisan bread from Happy Toast Bakery delivered Monday – Saturday. All breads and cakes are available to order daily by 2.30pm for next day delivery.
- Fresh bread delivered from Warburton's - Monday – Saturday.
- Fresh dairy produce from Clarkes Dairy – Delivered daily and sourced across Hampshire.
- Jon Thorner's Home-made range, Deli cooked meats and cheeses are available daily and to order in store. Customers are coming to our store from as far as Southampton and Salisbury to purchase the amazing range available for this supplier.
- Stationery, Greeting Cards from two local suppliers.
- A great selection of chilled Beers, Wines, Gins and many other Spirits available,

All fresh bread, fruit/veg and meats are available to order weekly should you require it.

The Post Office continues to provide the village and surrounding areas with a vital service. You can still access all of the same services you have been used to Monday – Saturday. Free cash withdrawals from all major UK banks + all the usual Post Office Services, Car Tax, Travel Insurance and Bureau de change to name just a few.

We look forward to seeing you soon.

SOUTH WONSTON TWINNING ASSOCIATION

South Wonston and La Frénaye, a village in Normandy, have been twinned for over 30 years. La Frénaye is approximately 25 miles east of Le Havre. The area is predominantly agricultural and the village has a population approximately half of South Wonston's.

Our aim is to foster a relationship between South Wonston and La Frénaye to better understand the different cultural, recreational, educational and commercial activities of our twinned communities.

Over the years, friendships have developed between members of the association and the reciprocal organisation in La Frénaye. On alternate years, we visit La Frénaye and the surrounding area or host guests from there on the intermediate years.
