

Playground Equipment & Pavilion – You may have already noticed but we have had a summer clean and paint around the recreation ground and pavilion. Photos of the work can be seen on our social media and Winchester City Council. We have received lots of positive responses from residents and even one child commented that they thought we had a new park because it looked so clean.

Breeze Network - Let's Ride - www.letsride.co.uk/rides - Come and join a lovely group of ladies who take a gentle cycle and chat while travelling around the local villages. The rides start outside the pavilion weekly. Sign up for a ride and join the group so that you can be notified of any new dates.

Pump Track – Do we have any keen Scooter, Skate Boarders or BMXers in the village who would like to work with the Parish Council to get the old BMX track upgraded into a pump track? The dirt track that we currently have needs attention and bringing up to date. We have already received some positive emails from parents, who children would like to see this happen. If you want to add your support please call or email the Clerk so we start the project.

Solar Panels – The Pavilion is due to have solar panels installed in September, which will make the facility more carbon neutral and support the water thermal panels already installed as part of the initial build.

'Voice' Village Newsletter: The fourth edition of the electronic newsletter has been emailed to all residents who have signed up. If you wish to receive it, please go to our website and complete the pop-up box or use the QR code that is dotted around the village

What's On: Visit the Parish Council website and click on "What's On" to find out details of the classes that are held at the Pavilion.

Community Café – Note that this is closed during the summer holidays and returns on Monday 7th September at 12.30pm. Everyone is welcome.

Parish Council Meetings: The next meeting will be held on Monday 14th September @7.30pm at the Pavilion.
