

Winchester Good Neighbours

If you do not have family or good friends living nearby, we can offer help with transport to and from local hospitals and other medical appointments. We can call in for a chat, change a lightbulb or help you to do a bit of shopping. Anything a good neighbour would do!

We do ask for three working days' notice and a modest contribution towards costs.

Please call us on 08450 948 946, Monday to Friday.
