

# Help shape **SOUTH WONSTON FOR THE FUTURE**

## **Have Your Say – Your Support Matters for Two Major Village Projects**

South Wonston Parish Council has two important community projects currently in the planning stage, and we need your involvement to help move them forward. These proposals will shape our village for generations, and your voice can make a real difference.

### **1. Memorial Park & Garden and Permanent Allotments**

For more than 20 years, our community has been working to secure a dedicated space for a Memorial Park/Garden and allotments — a place that reflects the heart of South Wonston. The land identified as ideal is close to the village and owned by the Ministry of Defence.

Our local Councillors and MP fully support the effort to purchase this land. They have already written to you asking for your backing and encouraging you to sign the petition. Thank you to everyone who has already done so — but we must keep the momentum going.

You now have another opportunity to show your support by signing online via the link on the parish council website or here: [www.winld.org.uk/south-wonston-mod](http://www.winld.org.uk/south-wonston-mod)

Our MP will be presenting this to the Ministry of Defence in Parliament, so it is vital that our community stands together. Please make sure your voice is heard.

The vision for the Memorial Garden is a peaceful, welcoming space where loved ones can be remembered, with a discreet area for the interment of ashes. Alongside this, a permanent allotment area will support sustainability, local food growing, and the joy that comes from cultivating produce within our own village.

### **2. Pump Track at South Wonston Recreation Ground**

We are also exploring plans for a Pump Track at the Recreation Ground — a project that would provide a safe, exciting, and inclusive space for children, young people, and families to enjoy cycling and outdoor activity. Your feedback and support will help determine the next steps.

Please take a moment to fill out a short survey either by following the link on the parish council website [www.southwonston-pc.gov.uk](http://www.southwonston-pc.gov.uk) or by scanning the qr code.

Both projects represent long-term investment in the well being, identity, and future of South Wonston. Please take a moment to add your voice and help us move forward together.
