

Everyone Active Every Day

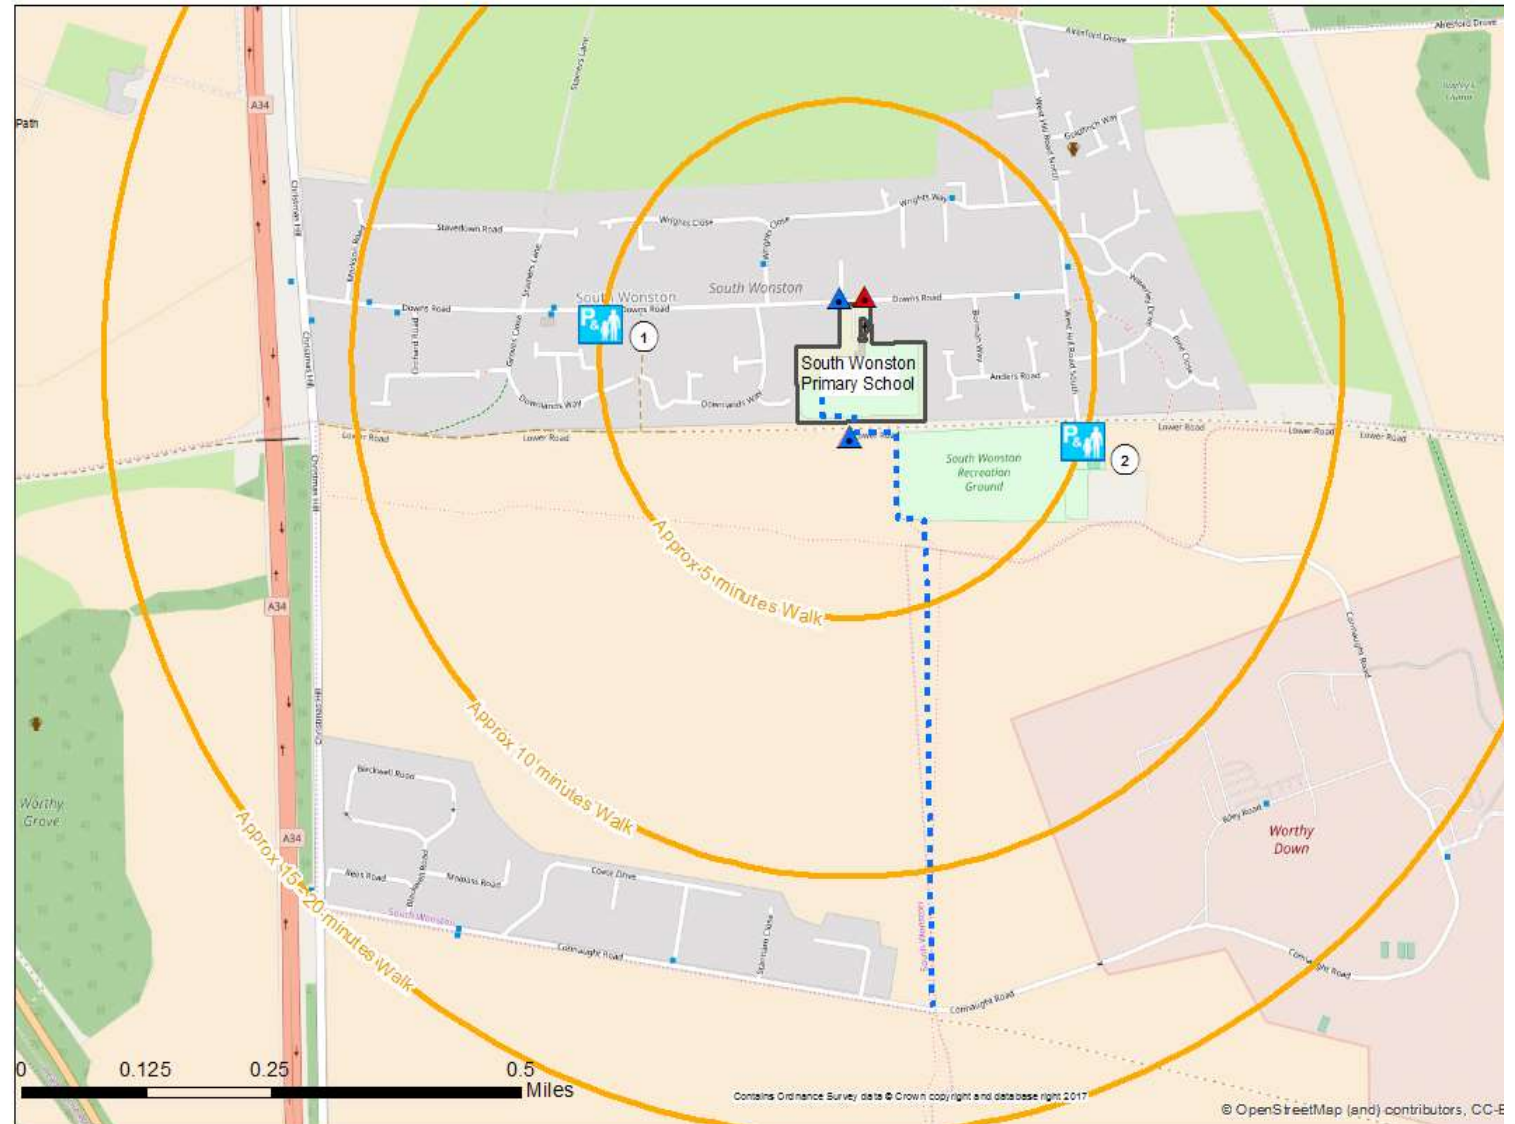

If you live within the 15 – 20 minute walking zones, you may find it quicker to walk or cycle to school than to drive and have to find a parking space.

If you live beyond walking / cycling distance and have to drive, **please park and stride** and help **make it safer around the school gates** so more families can **walk, cycle or scoot** to school.

Avoid the congestion by parking in the car parks shown. When parking on street, always get your children out of the car on the pavement side.

Walk from a friend's house: Know friends who live locally? Why not ask to park at their house and walk together for a sociable school journey.

Lift Share: Going the same way as a neighbour? Why not lift share and then park and stride, saving fuel and the environment?

Official 'Park and Stride' Car Parks

In partnership with:

South Wonston Parish Council and South Wonston Social Club

Make every step count. Step it Up! Why not use the school run as part of your daily exercise routine to up your step count? Each minute you walk is about 100 steps.

1: South Wonston Social Club

Capacity: 15 Spaces
Distance: 400 metres = 500 Steps

2: Pavilion car park

Capacity: 25 Spaces
Distance: 1600 metres = 2000 Steps
