South Wonston Parish Council Annual Assembly Monday 4th April 2021 at 7.30pm, at the South Wonston Pavilion

Please let me know if you plan to attend as there are refreshments

AGENDA

Chairman Annual Report for 2021/22.

Village Design Statement 2014 – Why we need a new one? It is a document that describes the distinctive characteristics of the locality, and provides design guidance to influence future development and improve the qualities of the area and is a supplementary document to a Local Plan.

What we should be thinking about:

- How does our village look today in terms of layout, street character and rural setting?
- Do we have any distinctive buildings, special landscape features, open spaces, important views, favourite walks and cycle paths or archaeological sites?
- What facilities have we got? How well do they serve us?
- How well do our local highways, roads and streets cope with traffic and parking?
- What do we value about our village? What should be protected and why?
- How should the village look in the future? Should new buildings, extensions and alterations and the spaces they occupy be designed to fit in or stand out? Does high quality design matter? Will we need more robust services (electricity, gas, water, drainage, broadband etc)? Will road improvements be required?
- How important is climate change to our thinking about village design now and in years to come?

This is a document owned by the residents of South Wonston. If you would like to have an influence over the future look of the village jot down some ideas to give us, email them or even better put your name down to become part of the focus group.

Recycling & Waste Prevention – Find out more about South Wonston Recycling and come and chat about other climate friendly activities.

Queen's Jubilee Celebration Sunday 5th June – See the plans for the day and sign up to be a volunteer during the day.

R Jones
Clerk to the Parish Council

Date: 23rd March 2022
