

## **SOUTH WONSTON HOUSING NEED REPORT**

### **Rental Accommodation**

The following figures were given to SWPC by Winchester City Council and are taken from the Hampshire Home Choice Register on 3<sup>rd</sup> December 2020. They relate to households who qualify for Affordable Housing in South Wonston under these categories;

1. Ordinarily resident in the village or parish.
2. Previously ordinarily resident in the village or parish prior to the date of allocation and has family who ordinarily reside there.
3. Employment – current or to take up permanent employment in the village or parish.
4. To support or be supported by member of family ordinarily resident in the village or parish.

There are

11 households wanting 1 bedroom accommodation
3           “           “           2           “           “
3           “           “           3           “           “
1           “           “           4           “           “

### **Shared ownership**

There are 4 applicants on the Help to Buy South register who want property in South Wonston

2 households wanting 2 bedroom accommodation  
2 households wanting 3 bedroom accommodation

In the report, Winchester City Council points out that if an applicant has a confirmed connection to a village/parish this does not mean they wish to live there. Winchester City Council also confirms that the applicants had not been specifically contacted for the 2020 report. They state that it is possible that some households will have moved, some will have been removed from the register and for one reason or another may have lost local connection to the parish.
